Crown Land Caravan Parks Policy Update 2019: update to Improving Equity of Access to Crown Land Caravan and Camping Parks Policy 2011

Great Ocean Road Coast and Parks Authority “The Authority”, Caravan Parks and Camping Grounds are positioned on Crown Land.

In accordance with State Government Policy the direction is to manage increasing demand and implement systems and processes to provide both new and existing campers with a fair and reasonable opportunity to stay in Crown land Caravan Parks and Camping Grounds.

Such systems and processes include:

Permit Holders

Sites are permitted formally for a 12-month tenure, and there is no guarantee for a term beyond this.

Sites can only be used for a maximum of 59 consecutive nights and a total of 180 days in a calendar year (annual and seasonal permit holders)

Sites cannot be sublet.

Unregistrable mobile dwellings are not permitted on Crown Land Caravan parks managed by the Authority.

The Authority maintains a centralised annual permit waiting list (Torquay, Anglesea and Lorne only) for individuals seeking site access or the purchase of a permitted caravan. Caravans may only be sold to persons on this waiting list, and this waiting list applies to annual permits only.

An annual permit holder who wishes to sell their Caravan must notify the Park Manager to fully understand the sale process.

Permits are non-transferable. Only Principal Occupant 1 (and Principal Occupant 2, where applicable) together with their four nominated additional guests, are allowed to occupy the permitted sites.
