All cabins are equipped with fire extinguishers and fire blanket

The map illustrates the layout of Marengo Family Caravan Park. It features a central road with 'ONE WAY' markings. To the left, there's an 'Office' and a 'Beach' area. The park is divided into several sections of sites: a top row of sites 1-11, a middle row of sites 12-24, a bottom row of sites 25-66, and a right-hand section of sites 67-88. Amenities include a 'Grange', 'Casino', 'Annie', 'Amenities' (with accessible facilities), 'Camp Kitchen', 'BBQ', 'Playground', and 'Beach Access'. There are also 'LPG' tanks and 'Fire Extinguishers' marked. The park is bordered by the 'Southern Ocean' to the north and east, with 'CAUTION: CLIFFS' warnings. The 'GREAT OCEAN WALK' is located at the bottom right. A note states 'Map is not to scale'.
